

Kim Carrera & Millennium Limousines Photographic Model Release

This form is a permission slip to allow us to take candid photographs of you and your party on your special occasion, which you can then view and obtain from our website. These images can be hidden from public view with your password/email address.

We offer this service as many professional photographers miss some of these magical moments as they are busy setting up staged shots. Also, a lot of photographers only take a couple of photos with limousines as this is not their main focus. We consider if you have gone to the expense of getting limousines, you will want those images for the future. *You can't go back in time to recreate that special moment, so we might as well help capture it.*
